THE HOUSE THAT ART BUILT

HERE'S OUR STORY:

The House That Art Built is a charity foundation dedicated to producing new and exiting opportunities for artists and art appreciators throughout our community.

By providing a unique environment for budding artists to display and sell their work, we hope to achieve our goal of raising enough funds to support the completion of many non-profit outreach projects. The first of these projects is to be a vibrant mural at the Westosha Community Center.

The doors are open to the House that Art Built, and all are welcome, so come on down and join the celebration.
